Subject: Western Municipal Water District Study hearings.
Date: Monday, July 12, 2021 6:04:23 PM

I, Polly Filanc, who lives at _____, Murrieta, within the sphere of influence of the “Study”, am after careful study is in favor of staying with Western Municipal Water District. I am extremely opposed to any other waters districts trying to take over for what has been good service to me and my neighbors.

Thank you,
Polly Filanc
